MISSION:

Here at Big Rock Simmentals, we strive to breed functional deep-bodied bulls that calve easily and give you those solid patterned heavy-muscled steers in the fall. We also focus on keeping the maternal traits high, for those heavy-milking females you'll keep in your herd for years to come.

PURCHASE POLICES:

1. Pay Requirements-50% Deposit on date of purchase, remainder to be paid on time of delivery.
2. We will winter bulls and feed a specially formulated breeding bull pellet to ensure longevity and good breeding condition.
3. We will semen test your bull to ensure breeding soundness (at our expense).
4. We will deliver your bull when required.

NOTES:

We suggest that you insure your bull against loss while he is wintered at Big Rock Simmentals.
 If there are any problems with your bull after delivery, we would appreciate that you contact us first.
 If you are pleased with your bull, please tell your neighbours.

*** We do not creep feed our calves.***
